Enjoy a wedding without worry!

Wedding Insurance

Wedding insurance is designed to help couples prepare for the financial consequences resulting from unexpected situations such as extreme weather, no-show vendors, and alcohol-related accidents. When something does go wrong, it can be frightening how quickly costs can add up. With wedding insurance, your financial investment and dream wedding can be protected.

There are two types of wedding insurance available from WedSafe:

Liability & Property Damage Insurance

Required by many wedding venues, this protects you if you're held financially liable for property damage, bodily injury or an alcohol-related accident.

Event Cancellation/Postponement Insurance

Protect your financial investment with coverage for non-refundable expenses or lost deposits should you have to cancel or postpone your wedding due to extreme weather, unexpected illness, withdrawal of military leave, etc. Reimbursement for bankrupt or no-show vendors, and replacement of lost or damaged photographs, jewelry, gifts or invitations is also available.

Liability & Property Damage Insurance

What it Covers

Your legal liability for:

- Alcohol-related accidents
- Bodily injury to guests for an accident resulting from the event
- Costs to repair or replace property damaged at the wedding or reception site
- Damage to the facility caused by a guest

With WedSafe's Liability & Property Damage Insurance Policy, you get:

Coverage that meets most venues' insurance requirements – with the ability to name the venue as an additional insured on your certificate of insurance, add venue-specific language to it, and obtain a copy for the venue via e-mail... *all at no extra cost.*

Primary coverage that pays out first – even if your homeowners insurance provides coverage for events, filing a claim could increase your rates or result in termination of your policy.

Coverage that can include rehearsal dinner, ceremony and reception venues – all for one price.

How much do I need?

In most cases, your ceremony or reception site will tell you how much coverage to buy to meet their requirements. If your reception includes alcohol, you should consider your exposure of being sued in the event of an alcohol-related accident.
